As one with the Karma
As harmony places
Sustained within its self
Melody, as the water flows
out to sea.

'As the years pass by with
the blink of the eye leaving
one with only the memory
and a feeling

Shakespeare on 352 and
Drink up! Drink up! The
Desire, but take away
from the performance.'
It was fun to be here, but I'm glad to be out.

"I May, I Might, I Must. If you will tell me why the fen appears impassable, I then will tell you why I think that I can get across it if I try."

Marianne Moore

But if you try some time, you just might find
You get what you need...

I swear it to you
I swear on my common woman's head
The common woman is as common
As a common loaf of bread......
And as she will rise.

in a while......
so enjoy the craziness of it all"

Loves may come and go but friends
can last forever.

Did you ever notice that the only time people resemble
their passports is during a high-jacking?

"Pride goes before destruction, and a haughty spirit
before a fall."
"You cannot teach a man anything: You can only help
him find it within himself."
